

The schools sector is a very specialist market. Our experience has allowed us to concentrate on just three cooler models for schools. By answering the questions below we can ensure that you receive the water cooler model that is right for you.

Please answer the following questions to help us determine which water cooler will provide the best solution for you,  
All our coolers provide chilled, filtered water.

- |   |          |
|---|----------|
| 1) Is the equipment for Infant or Primary age groups? | YES / NO |
| 2) Will the children be filling up sports bottles?    | YES / NO |
| 3) Do you require sports bottles for pupils?          | YES / NO |
| 3) Is the cooler for staff and/or public use as well? | YES / NO |
| 4) We do not require any sort of drainage             | YES / NO |
| 5) We do not have a problem with equipment vandalism  | YES / NO |

If you have answered 'YES' to any of the questions above Greencare H2O will install a RIO cold and ambient water cooler. Please consult your account manager for further details on why the Rio water cooler is best suited to your requirements.

If you answered 'NO ` please answer these additional questions

- |   |          |
|---|----------|
| 4) Do you require drainage and are happy that this will limit the potential locations in which we can install a cooler? | YES / NO |
| 5) Do you require a cooler with disabled access?  | YES / NO |
| 6) Do you require a cooler to be secured to the wall?   | YES / NO |

If you answered 'YES' to any of the questions above Greencare H2O will install an Oasis floor standing or wall mounted barrier free cooler.

NOTE - The wall-mounted cooler comes with a ` bubbler ` only. The floorstanding unit is available in both `bubbler` and `swan neck`.

NOTE - For very high volume areas our Niagara might be more suitable.

Please consult your account manager for further details on why this type of cooler is best suited to your requirements.
